

“What If I Make A Mistake”

How many times have you hesitated, gotten stuck, retreated, said “no” to what is calling you, to what is wanting to be revealed as your Divine purpose, because you were afraid you would make a “mistake”?

In a safe and loving atmosphere, we take an opportunity to explore the sweetness, power and freedom of surrender, which liberates us from old thinking and belief, and learn to establish the practice of living in Faith, and step into God’s vision for our lives.
